<p>Is my business eligible for the Instant Lighting Discount?</p>	<p>Maryland Potomac Edison commercial and industrial customers are eligible for the Instant Lighting Discount.</p>
<p>How does the Instant Lighting Discount work?</p>	<p>When you purchase a qualified lighting product from a participating distributor, the cost of the item will be instantly reduced by the predetermined discounted value of that specific product. Purchase price, minus the discount, equals the discounted purchase price.</p>
<p>What types of lighting products are eligible for the Instant Lighting Discount?</p>	<ul style="list-style-type: none"> • LED High and Low Bay Fixtures • E39 Mogul Base Lamps • LED Linear Fixtures and Retrofit Kits • LED Linear Tubes • LED Exterior Wall Pack and Floods <p>Lighting products must be listed on DLC 5.0 or 5.1, or ENERGY STAR[®] 1.0. Visit energysaveMD-bizsolutions.com or consult a participating distributor for a comprehensive list of their offerings.</p>
<p>Where do I find a participating distributor?</p>	<p>Visit energysaveMD-bizsolutions.com for a list of participating distributors.</p>
<p>Can I purchase products using the Instant Lighting Discount and then submit an application for an incentive?</p>	<p>No, if you choose to use the Instant Lighting Discount, then your project is not eligible for additional incentives using the regular incentive process.</p>
<p>What will I need to provide to the distributor to receive the Instant Lighting Discount?</p>	<p>You will need to provide your Potomac Edison account number, the name and address of the business where the products will be installed and contact information.</p>

<p>How do I know if the Instant Lighting Discount is the right incentive program to use?</p>	<p>Review your options with your selected distributor or contact our program team at 855-801-5803. We will be happy to help you determine the right choice for you and your business.</p>
<p>Are new construction projects eligible to receive this incentive?</p>	<p>New construction is not eligible for the Instant Lighting Discount; however, it is eligible through our standard Energy Solutions for Business Program. Visit energysaveMD-bizsolutions.com for more information.</p>
<p>Can I purchase products for future needs using the Instant Lighting Discount?</p>	<p>No, all lighting sold using the program should be installed within 90 days following the purchase.</p>
<p>Can I install lighting myself or do I need to use a contractor?</p>	<p>You may do either. If you hire a contractor to do the work, the contractor could make the purchase at the distributor for you. They would need your Potomac Edison account number, the name and address of the business where the products will be installed and contact information. The distributor would then provide your contractor with the new lighting at the reduced price.</p>
<p>Will there be an inspection of my project?</p>	<p>Potomac Edison and/or its program administrators reserve the right to verify the installation of the products that were purchased by the participant and rebated by the Instant Lighting Discount.</p>
<p>Can I use the Instant Lighting Discount more than once?</p>	<p>Absolutely. We understand that there are many reasons why you might choose to purchase over time. You may return to the distributor again until all your lighting has been upgraded to efficient LEDs.</p>

EmPOWER Maryland programs are funded by a charge on your electric bill. EmPOWER programs can help you reduce your electricity consumption and save you money. Go to energysaveMD.com to learn more about EmPOWER and how you can participate.

By participating in these energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market with proceeds being used to offset the program costs.
