

Potomac Edison Energy Solutions for Business Agriculture Incentives

| Equipment Description | Incentive | Unit | Equipment & Eligibility Requirements |
|---|-----------|----------------------|---|
| Automatic Milker Takeoffs | \$90 | Per Unit | Purchase and installation of a new automatic milker takeoffs to replace pre-existing manual takeoffs on dairy milking vacuum pump systems. |
| Dairy Scroll Compressors | \$1,000 | Per Unit | Purchase and installation of a new scroll compressor to replace an existing reciprocating compressor or to be installed in a new construction application. |
| Livestock Waterer | \$60 | Per Unit | Purchase and installation of an energy efficient livestock waterer that is thermostatically controlled and has a minimum of two inches of factory installed insulation. |
| Variable Speed Drive on Dairy Vacuum Pump | \$1,000 | Per Unit | Purchase and installation of VFD and controls on dairy vacuum pump or purchase of a dairy vacuum pump with variable speed capability. Pre-existing pumps with VFDs are not eligible for this measure. |
| High Efficiency Ventilation Fan | \$215 | Per Unit | Purchase and installation of a new or replacement of standard efficiency ventilation fans with high efficiency ventilation fans. |
| High Volume Low Speed Fan | \$25 | Per Ft. of Fan Blade | Purchase and installation of new or replacement of conventional circulating fans with High Volume Low Speed (HVLS) fans. HVLS fans are a minimum of 16 feet long in diameter and move more cubic feet of air per watt than conventional circulating fans. |
| Heat Reclaimers | \$1,000 | Per Unit | Purchase and installation of heat reclaim units on dairy parlor milk refrigeration systems. |
| Low Pressure Irrigation | \$100 | Per Acre | Purchase and Installation of low-pressure irrigation system. |

| | | | |
|---|-------|----------|--|
| Dairy Refrigeration Tune-Up | \$200 | Per Unit | Tune up of refrigeration systems for agriculture applications. |
| Engine Block Heater Timer | \$25 | Per Unit | Purchase and installation of an engine block heater timer. |
| Custom | | | |
| Have another idea for an energy saving project? Contact us to learn about custom incentives for projects that save energy, such as new air compressors or low-pressure irrigation systems. 855-801-5803 or energysaveMD-bizsolutions.com | | | |

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energy.maryland.gov/Pages/Facts/empower.aspx.
