

INSTANT SAVINGS ON LED LIGHTING

Stepping up your lighting game?

When your business is ready to switch to LEDs, Potomac Edison's Instant Lighting Discounts make sure you get the lower price right away. Shop with one of our participating distributors and your savings will be included at the point of purchase! No paperwork, no wait.

Shop. Select. Save.

Instant Lighting Discounts are available for all Potomac Edison Maryland commercial and industrial customers and Program Allies. Simply look through our eligible products list, then shop, select, and save!

1. Shop with a participating distributor.
2. Select or ask for a qualified lighting product.
3. Save when you purchase knowing your discount is included!

Savers checklist

To receive your Instant Discount, you'll need to provide the following information:

- Potomac Edison account number
- Installation business name and address
- Contact name and phone number

That's it! Your savings will be applied at the point of purchase and your business will be using less energy year after year.

For a full list of participating distributors and qualified products, visit energysavemd-business.com today!

LET US HELP YOU SAVE.

Have another energy-saving project in mind? Ask us about custom incentives! Call 855-801-5803 or visit energysavemd-business.com to learn more.

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to energy.maryland.gov/Pages/Facts/empower.aspx.

By participating in energy efficiency and peak demand reduction programs, customers agree to allow their utility to retain ownership of all Capacity Rights which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company. Your utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market with proceeds being used to offset the program costs.
