

POTOMAC EDISON FINANCING MADE EASY

4 Simple Steps to Get Started

1

STEP 1 – Choose a Contractor

Work with a participating contractor and confirm your project qualifies for program incentives, and exclusive financing offer.

Browse program partners:

energysavemd-bizsolutions.com/find-a-program-ally

2

STEP 2 – Review Proposal & Incentives

Receive and review your project proposal, including scope of work and estimated project incentives.

3

STEP 3 – Apply & Secure Financing

Use your contractor's custom financing link to apply online, receive approval, and sign loan documents electronically.

4

STEP 4 – Complete Project

Your contractor completes the installation and payment is processed after verification.
